

The LIGHTHOUSE

FALL 2010

President's Message

Fall is here, the leaves have changed and 2010 is coming to a close. A review of this year's well-attended events include Woodloch Pines Getaway in Pennsylvania, the Culinary Dinner and Demo Open Meeting in Riverhead, the Boston Weekend, Flynn's Fire Island Open Meeting and the Galapagos Cruise.

Our final event of the year will be an open meeting at Mama's in Copiague on November 30 [see flyer or web site]. At this event, nominations will be taken from the floor for positions on the Region 15 board. Every three years, the national bylaws require each region to hold elections. The term will be for 2011-2013. Anyone who would like to join the Region 15 board, please make your wishes known at that time. We are always in need of members willing to serve as a volunteer on the board. If you could find the time, we would greatly appreciate hearing from you. I hope to see you all at our Holiday Open Meeting.

Open Meeting at Flynn's Fire Island

After a long respite, IPA Region 15 returned to Flynn's on Fire Island on August 11, 2010. 80 members and friends sailed from the Captree Dock on the ferry "Moonchaser" crossing the Great South Bay to Flynn's. The weather couldn't have been more perfect or the spirits any higher.

Once at our destination, we were treated to a delicious "seafood plus" buffet which included lobster. We were fortunate to have with us two birthday celebrants: John Tschember and Angela Volberg. I want to thank our members for making this such a fun and memorable event. Maybe we'll do it again next year!

Boston/Salem Weekend - 2011

In May of 2011, we are again running a trip to Boston. This trip will include a full day of tours in Salem, Massachusetts [home of the infamous witch trials] and a tour of Fenway Park. We are hoping when the Red Sox Schedule for 2011 is posted, there will be at least one home game taking place that weekend. Our 2010 Boston Trip was such a success with rave reviews from our members, we decided to return, requesting the same tour guide and bus driver. We will again depart from Suffolk Police HQ and our accommodations will be at the same hotel, the Hyatt Regency.

We realize that there were many members who had wanted to attend, but due to a conflict in scheduling, were unable to join us. Hopefully, this will not be the case for 2011. Please help us to make this trip a success by sending in your \$50 p.p. fully refundable deposit so that we can guarantee the trip is not canceled. We again need thirty people to make it work. Pat and I are also offering members flying into Islip MacArthur Airport, transportation to local hotels and tour of the Suffolk County Police Department. If members are able to fly to Long Island a couple of days before or after, we may also be able to include tours of other sights, i.e. Long Island Wineries, Montauk Point, Southampton. If any of our members would like to host our IPA visitors, please contact us [Bill or Pat Wieners] to make your availability known. Visit our web site for specific details on this Boston Trip.
